# EXIT THIS WAY

**MASTER AND APPRENTICE**

The open blast door leads to the platform where the fateful duel between Obi-Wan Kenobi and Darth Vader unfolds with a devastating outcome. This defining moment between the Jedi Master and his former apprentice sets the direction for Luke's own Jedi journey.

# SORTEZ PAR LÀ

**MAÎTRE ET APPRENTI**

La porte blindée ouverte mène à la plateforme où se déroule le duel fatidique entre Obi-Wan Kenobi et Darth Vader, avec un résultat dévastateur. Ce moment décisif entre le Maître Jedi et son ancien apprenti donne le ton au propre parcours Jedi de Luke.

# ACÁ ESTÁ LA SALIDA

**MAESTRO Y APRENDIZ**

La puerta blindada abierta conduce a la plataforma donde tiene lugar el fatídico duelo entre Obi-Wan Kenobi y Darth Vader, con un desenlace devastador. Este momento decisivo entre el Maestro Jedi y su antiguo aprendiz marca el rumbo del viaje de Luke en su faceta de Jedi.

***"The garbage chute was a really wonderful idea. What an incredible smell you've discovered."***
***– Han Solo***

***« La poubelle était une idée vraiment géniale. Exquis ce nouveau parfum que vous nous offrez! »***
***– Han Solo***

***"Lo del ducto fue una magnífica idea. ¡Qué delicioso aroma acabas de descubrir!".***
***– Han Solo***

**BRACE YOURSELF**

The platform above the trash compactor can be removed, so you can place LEGO® Princess Leia, Luke Skywalker, Chewbacca and Han Solo minifigures inside. From the back of the model, you can close and release the trash compactor walls. As the walls close in and start squishing the discarded debris, the dreaded dianoga rears its creepy periscope face!

**ACCROCHEZ-VOUS**

La plateforme au-dessus du compacteur à déchets peut être retirée, ce qui permet d'y placer les figurines LEGO® de la Princesse Leia, de Luke Skywalker, de Chewbacca et de Han Solo. À l'arrière du modèle, vous pouvez fermer et ouvrir les parois du compacteur à déchets. Alors que les parois se referment et commencent à écraser les débris jetés, le redoutable dianoga dresse son effrayant périscope!

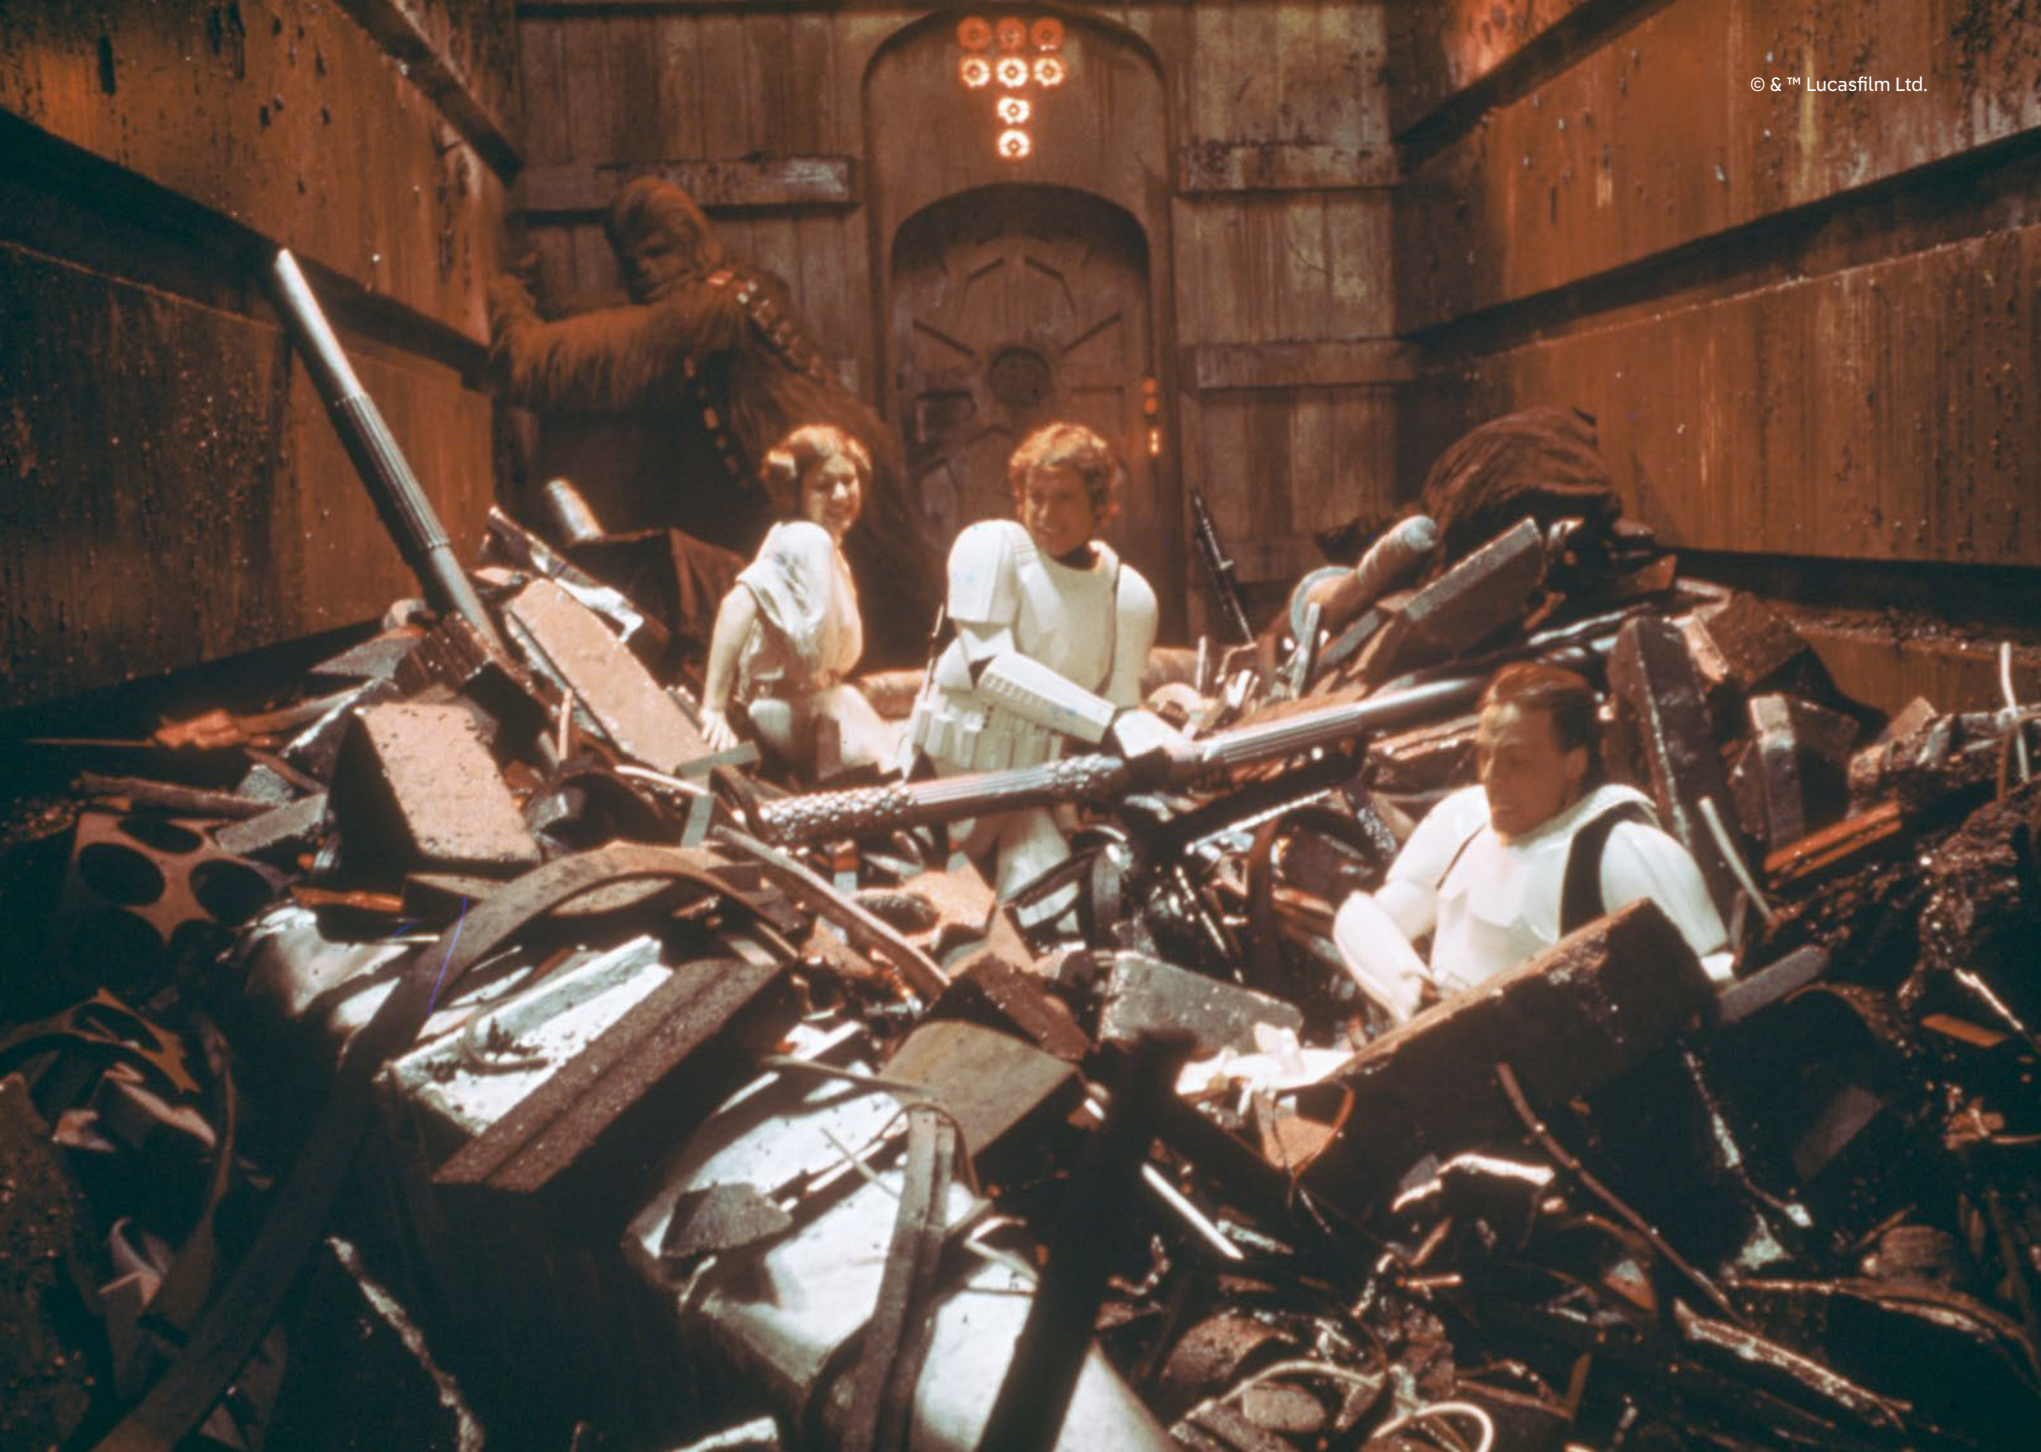

**PREPÁRATE**

La plataforma ubicada arriba del compactador de basura puede quitarse para colocar en su interior las minifiguras LEGO® de la Princesa Leia, Luke Skywalker, Chewbacca y Han Solo. Desde la parte posterior del modelo, también puedes accionar la función de compactación. Y cuando las paredes se cierren y empiecen a aplastar los desechos, ¡el temible Dianoga asomará su espeluznante cara periscópica!

*No minifigures or dianogas were harmed during the making of this model.*

*Aucune figurine ou dianoga n'a été blessé lors de la fabrication de ce modèle.*

*En la fabricación de este modelo, ninguna minifigura ni Dianoga resultaron lastimados.*

# UNE ÉCHAPPÉE BELLE
# UN ESCAPE POR UN PELO

**LUKE SKYWALKER**
**(In stormtrooper disguise)**
A bit short for a stormtrooper, perhaps, but all's well that ends well, especially as Luke's disguise may have given him an advantage in Princess Leia's rescue.

**LUKE SKYWALKER**
**(déguisé en stormtrooper)**
Un peu petit pour être un stormtrooper, peut-être, mais tout est bien qui finit bien, d'autant plus que le déguisement de Luke lui a peut-être donné un avantage dans le sauvetage de la princesse Leia.

**LUKE SKYWALKER**
**(disfrazado de Stormtrooper)**
Si bien es muy bajo para ser un Stormtrooper, eso no importa al final, sobre todo porque el disfraz de Luke puede haber hecho la diferencia en el rescate de la Princesa Leia.

**HAN SOLO**
**(In stormtrooper disguise)**
Han gets a little more adventure than he originally bargained for, but ever the expert on thinking on his feet, he uses his unique conversational and stealthy skills to seamlessly blend in with the rest of the Death Star personnel. Well, almost.

**HAN SOLO**
**(déguisé en stormtrooper)**
Han se retrouve un peu plus impliqué dans l'aventure qu'il ne l'avait prévu, mais toujours aussi habile à improviser, il utilise ses talents de conversation et de furtivité uniques pour se fondre parfaitement dans le reste du personnel de l'Étoile de la Mort. Enfin, presque.

**HAN SOLO**
**(disfrazado de Stormtrooper)**
Indiscutiblemente envuelto en más aventuras de las que deseaba y acostumbrado a resolver los problemas por sí mismo, Han usa sus extraordinarias habilidades de conversación y sigilo para aparentar ser un tripulante más de la Estrella de la Muerte. Bueno, casi.

**PRINCESS LEIA ORGANA**
Originally less than impressed by the chaotic rescue team sent to her aid, Leia has not defeated Darth Vader's interrogation droid only to see a couple of hoodlums thwart her escape. She swiftly takes charge of a dangerous situation and stays focused in the heat of battle.

**LA PRINCESSE LEIA ORGANA**
À l'origine peu impressionnée par l'équipe de sauvetage chaotique envoyée à son secours, Leia n'a pas réussi à vaincre le droïde d'interrogatoire de Darth Vader avant de voir deux voyous contrecarrer son évasion. Elle prend rapidement les choses en main dans une situation dangereuse et reste concentrée dans le feu de l'action.

**PRINCESA LEIA ORGANA**
Originalmente poco impresionada por el caótico equipo de rescate enviado en su ayuda, Leia no venció al droide de interrogación de Darth Vader solo para ver cómo un par de malhechores frustran su escape. Con prontitud, toma el control de una situación peligrosa y mantiene la cabeza fría en el fragor de la batalla.

**CHEWBACCA**
A legendary Wookiee warrior and Han Solo's faithful first mate, Chewie may be the tallest of the Rebel group, but his temper is short. Paired with his brute force, that's not necessarily a bad quality to possess. Especially in a tight spot – like keeping the trash compactor debris at bay to protect his friends.

**CHEWBACCA**
Guerrier Wookie légendaire et fidèle premier lieutenant de Han Solo, Chewie est peut-être le plus grand du groupe rebelle, mais il a mauvais caractère. Associé à sa force brute, ce n'est pas forcément une mauvaise qualité. Surtout dans une situation difficile, comme tenir à distance les débris du compacteur à ordures pour protéger ses amis.

**CHEWBACCA**
Legendario guerrero Wookiee y fiel primer oficial de Han Solo, Chewie es claramente el más alto de los rebeldes, aunque también uno de los menos pacientes. Eso, en combinación con su gran fortaleza física, no es necesariamente malo. Sobre todo en situaciones difíciles, como a la hora de detener el avance de los desechos en el compactador de basura para proteger a sus amigos.

**C-3PO**
C-3PO is much more resourceful than he gives himself credit for. Teaming up with R2-D2, the clever protocol droid manages to throw pursuing stormtroopers off their scent long enough to locate his friends in the trash compactor.

**C-3PO**
C-3PO est beaucoup plus ingénieux qu'il ne le croit. Faisant équipe avec R2-D2, l'intelligent droïde de protocole parvient à semer les stormtroopers qui le poursuivent assez longtemps pour localiser ses amis dans le compacteur à déchets.

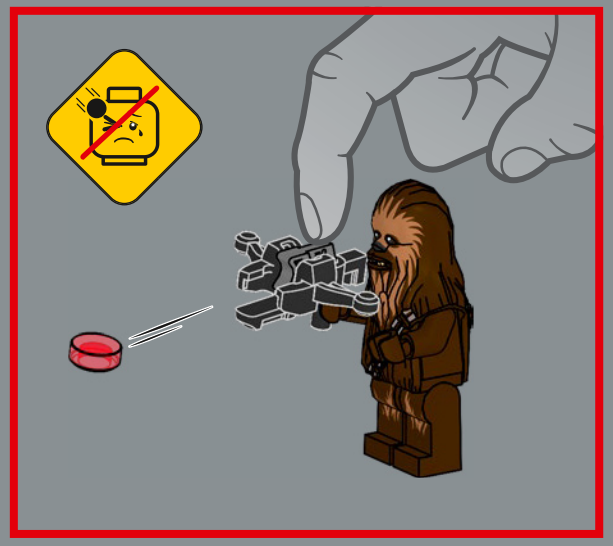

**C-3PO**
C-3PO es mucho más capaz de resolver problemas de lo que él mismo se da crédito. Haciendo equipo con R2-D2, el astuto droide de protocolo logra despistar a los Stormtroopers que los persiguen el tiempo suficiente para encontrar a sus amigos en el compactador de basura.

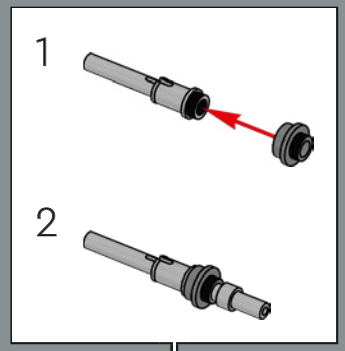

**R2-D2**
C-3PO's long-time companion is a seemingly endless source of wit, intel and surprises, including the technical readouts of the Death Star. He is exceptionally fast at accessing, analyzing and manipulating mechanical equipment and systems in any emergency (of which there are plenty).

**R2-D2**
Le compagnon de longue date de C-3PO est une source apparemment inépuisable d'esprit, d'informations et de surprises, y compris les relevés techniques de l'Étoile de la Mort.  Il est exceptionnellement rapide pour accéder, analyser et manipuler les équipements et systèmes mécaniques en cas d'urgences (qui sont nombreuses).

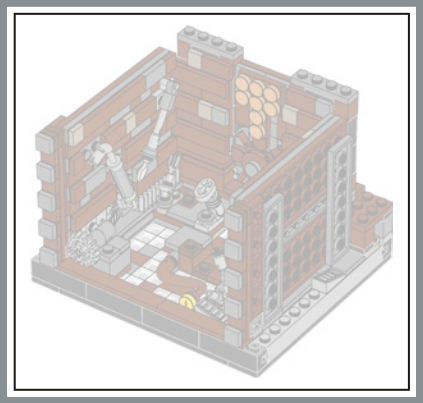

**R2-D2**
Al lado de C-3PO en las buenas y en las malas, es una fuente inagotable de ingenio, información y sorpresas, incluidos los planos técnicos de la Estrella de la Muerte. Es excepcionalmente rápido accediendo, analizando y manipulando equipos y sistemas mecánicos en cualquier emergencia (de las que, créenos, hay un montón).
